# The Art of Real Ale Brewing

Real ale is a natural product brewed using traditional ingredients fermented to give each ale its character and strength. Each cask is delivered to the pub where it is 'tapped' and left to 'condition' for at least 24 to 48 hours before serving, to ensure we pour the perfect, bright, pint.

# Beer

We've been brewing the finest beer in Wiltshire since 1875. We proudly pour a range of Wadworth ales and rotate through the classics as well as special editions through the year.

Ask us what's on tap today, for special editions coming up and for recommendations.

**6X**  
You'll always find our most famous ale on the bar. Our 4.1% classic crafted amber ale has delicious malt and fruit characters and a long malty finish.

**Horizon**  
Our easy drinking 4% pale golden ale has zesty citrus aromas and a crisp uplifting taste.

**Henry's IPA**  
Our 3.4% English IPA delivers clean and refreshing light malt notes combined with a classic hop flavour and finishes with a crisp bitterness.

**Swordfish**  
Swordfish ale is a unique blend of Wadworth beer and Pusser's Navy Rum with an ABV of 5%. It has a gentle rum aroma and features dark, unrefined sugar adding a rich smoothness.

**6X Gold** Gluten Free and Vegan  
This 4.5% hoppy & refreshing ale has sweet malt and spicy notes on the palate, with a zesty citrus aroma.

We're proud of our heritage and the beers we produce, and we are always keen to support our fellow brewers and also keep evolving ourselves.

If cask ale is not your thing then we have keg ales as well as lagers and ciders for you to enjoy, as well as plenty of choice in our fridges.
